July Birthdays

4th Happy Birthday, Bernadette!
15th Happy Birthday, Amara! (5)

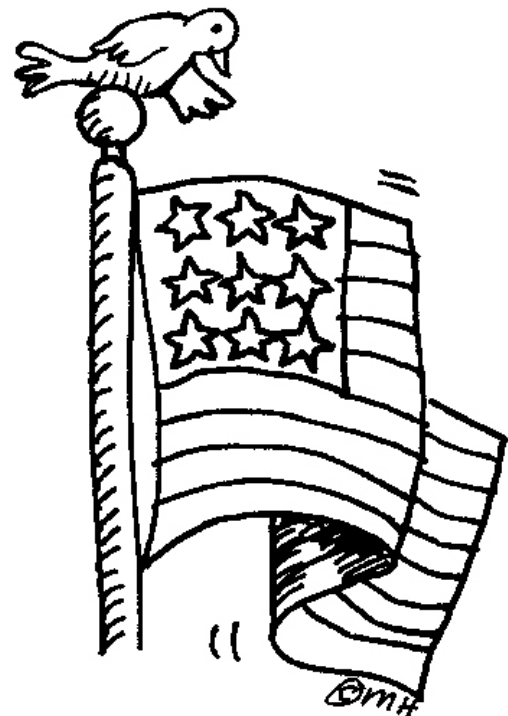

Dates to Remember

5th School Closed (Independence Day)

Gentle Reminder: **Please** label your child's containers, water bottles, swimsuits, and towels, etc. It really helps to avoid lunchtime "drama" and water play confusion, as we have often had duplicates. Thanks for your help!

We wish all of our families a Happy 4th of July and a wonderful summer!

Thanks to all of our parents that helped out by accompanying us to Children's Fairyland. We had a wonderful time visiting Fairyland together.

In July, we welcome Aliyah Romero, Amara's sister, to Skyline. We also welcome Jett Bovard and her family to Skyline! Jett is four years old.

We wish to thank Lana Hurteau, Lisette Bahamondes, Jacki Arase, and Mary Velasco for all their time and effort put into creating the beautiful memory books for our Skyline graduates. We know they will treasure them.

Croc Alert: If your child wears "crocs" to school, you must bring along playground shoes for outside play. Crocs are really unsafe for climbing on the structure, and wood chips can poke right through the bottoms. Thank you!
